Dear Ocean County Baptist Church,
We have seen God do mighty things this year because of your financial contribution of \$3,562.64! With abortion now being offered through Telemed, we have been praying more than ever to reach the vulnerable before they make a life changing decision. In 2021 we saw a 54% increase in pregnancy test and ultrasound appointments. Since 2016 we have seen a steady increase annually in the number of women coming to our Center to make a pregnancy decision. Your generosity this year provided over 400 families with: pregnancy confirmation through ultrasound, options counseling, post abortive counseling, parenting classes, material assistance, baby essentials, groceries and maternity clothing. We couldn't do it without you!

Thank you for your generous investment in God's Kingdom. Join us at The Clarion in Toms River on Thursday, March 31st for our Fundraising Banquet. Hear from our clients whose lives you have changed, meet some of the babies you've saved from abortion, and invest in our 2022 ministry goals. Go to OpenDoorFriends.org/events to buy your tickets today. Hope to see you there!

God bless,
Missy Stephens
